WHO WE ARE

- Problem Solvers
- Experienced Professionals; More than 25 Years in Business
- Trusted Contractors
- Hawai'i Based

WHAT WE DO

- Digital Business & Government Consulting
- Web & Software Development
- Staff Augmentation
- Cloud Hosting & Support
- Cyber Security Assessment

HOW WE DO IT

- Record of Excellence: We pride ourselves on the reputation we have built over 25 years in business and many successful project deliveries.
- Fanatical Customer Service: We honor every client by going beyond the call to ensure that you are not just satisfied but completely happy with the overall experience of working with us.
- Best Value: Our highly skilled staff of software engineers and user experience designers deliver high quality solutions at a competitive price.

PAST PERFORMANCE

- US Pacific Command (USPACOM) – Providing support in the review of financial records including contract files, purchase card transactions, MILSTRIP and General Service Administration Customer Service Center orders.
- Naval Supply Center (NAVSUP) Business Systems Center (BSC) Pearl Harbor – Providing Information technology and management services including development of operational requirements and incorporating new/updated requirements and test enhancements into the NAVSUP BSC and COMPACFLT web portals.
- City & County of Honolulu – Designed and developed a secure Online Property Tax Assessment Notification, Exemptions and Appeals System transforming a high-friction paper process to a streamlined digital, web-based process. Providing application web hosting, maintenance and support.
- State of Hawaii, Dept. of Health, Office of Program Improvement and Management – Designed and developed a secure web-based application, Contract Genie, that streamlined the contract creation process and reduced the average contract creation time from 180 days to under 60 days.
